

# CAPS FOR CANCER RESEARCH

January 8, 2006 - Newsletter N° 54

Cap from Vietnam

*The objective of C4CR is to gather 10.000 different beer caps, which will then be sold to a beer museum, with 100% of the proceeds being donated to a Cancer Research Foundation.*

**Thank you to all of our friends around the world for helping us with this worthy project.**

"Buon Anno", "Ein Gutes Neues Jahr", "Feliz Año Nuevo", "Aam Said", "Urteberrion", "Mwaka Mzuri", "Ia Ora Te Matahiti Api", "Gelukkige Nuwejaar", "Shana Nova", "Godt Nytt År", "Sawatdii Pimai", "Bonana", "Selamat Tahun Baru", "Sur Sdei Chhnam Thmei", "Shnorhavor Nor Tari", "Bonne Année" are among the many ways we'd like to wish you a Happy New Year. We decided to also (what else is new?) make that wish with caps from Australia, Belgium (x2), the Czech Republic, Denmark, France, Italy, the Netherlands, Norway, Poland (x2), Turkey and the United States of America?

## • **Beer joke**

Living will:

A man and his wife were sitting in their living room when he said to her: "Just so you know, I never want to live in a vegetative state, dependent on some machine and fluids from a bottle. If that ever happens, just pull the plug."

His wife got up, unplugged the TV and threw out all of his beer.

Lucky enough, the man had previously saved all the caps for C4CR...

## • **Kudos to our contributors**

Once again, Bob A. from Clarkston, Michigan (USA) deserves C4CR's gratitude. Like last year around the same time Bob just sent us a sack of caps that he's been saving all year: 125 caps to be exact. Problem is, and according to our calculations, that would about one beer every 3 days. What's happening Bob? Starting to enjoy French wine in your old age? In any case (of beer), many thanks Bob for your time and dedication to C4CR!

**Well, Good Bye 2005,  
Hello 2006. Time to make  
good resolutions, like  
sending caps to C4CR!**

Cap from Denmark

## **Answers:**

Row 1: Netherlands, Czech Republic, Denmark, Belgium, Poland, Turkey & Australia.

Row 2: France, Norway, Italy, Belgium, Poland, C4CR & the United States of America.
