

# CAPS FOR CANCER RESEARCH

## January 22, 2006 - Newsletter N° 55

The objective of C4CR is to gather 10.000 different beer caps, which will then be sold to a beer museum, with 100% of the proceeds being donated to a Cancer Research Foundation.

**Thank you to all of our friends around the world for helping us with this worthy project.**

I guess it's a well known fact that many men actually go bar hopping to drink beer and find a hot conquest to finish the night with. Some will actually score, but others may only get to see a woman on the caps of the beers they will gobble down... Hence today's choice of caps featuring beauties from Belgium, Brazil, the Czech Republic, Denmark, French Polynesia, Germany, Italy, the Netherlands, Portugal, Slovakia, Spain, Sweden, United States of America and Venezuela. Can you guess where each cap comes from?

### • Beer quotes

- "Here's to those dear dead days when a woman drank beer and liked it." - John Held, Jr. (in 1920)
- "Cover a war in a place where you can't drink beer or talk to a woman? Hell no!" - Hunter S. Thompson (on the US war against Iraq)
- "God invented beer so that the ugly girls also get humped, now and then." - Old German Saying
