

CAPS FOR CANCER RESEARCH

February 6, 2005 - Newsletter N° 34

Cap from Turkey

The objective of C4CR is to gather 10.000 different beer caps, which will then be sold to a beer museum, with 100% of the proceeds being donated to a Cancer Research Foundation.

Thank you to all of our friends around the world for helping us with this worthy project.

"Let me tell you about the birds and the bees, the flowers and the trees, and the moon up above, and a thing called Love" used to sing Rufus and Carla... A nice theme to prepare for Valentine's day with caps from Canada, Denmark (x2), Italy (x2), Japan, Morocco, The Netherlands, Slovenia, Spain, the United Kingdom (x2) and the United States of America (x2). Can you guess where each comes from?

• *How can I help?*

Obviously you can save beer caps and mail them to C4CR. If you don't drink that much beer, or stubbornly stick to your favourite brand, this is what you can do: ask beer manufacturers to send you (or us directly) unused beer caps. I can assure you this works, as I have tried it myself. It does take a tiny bit of time, so this is why I hereby request your help. All you need to do is connect to a brewery's website, find an email (usually under "contact us") and request caps to be sent to you or to C4CR 6 rue de la gare 95460 Ezanville FRANCE. Sites such as <http://breweriesontheweb.com> or <http://www.hal-pc.org/~hkaspar/breweries.shtml> or even <http://www.beerlabels.com/links> are a good starting point. Good clicking!
